

# LIVING AND NON-LIVING BRAIN PAIN

name \_\_\_\_\_

1. Brainstorm organisms that are made of cells (minimum 10 different types)

2. Add your 10 to your group and try to sort them.

3. What are the major categories you used?

4. Name 10 items that are not made of cells. Next to each name write what the item IS made of.

5. What are the 5 characteristics of living things?

- 1
- 2
- 3
- 4
- 5
